Hi Sarah and Lucita,

I was thinking of sending postcards to the 16 people on the Dewey-Burdock contact list with no email addresses. Here is what I was thinking of putting on the postcards:

EPA has issued final Underground Injection Control Permits for the Dewey-Burdock uranium recovery project in southwestern South Dakota. You can find EPA's response to public comments document and other permit-related documents on the EPA Regional UIC website at:  
<https://www.epa.gov/uic/epa-dewey-burdock-class-iii-and-class-v-injection-well-final-area-permits>

You are receiving this email because you are on the contact list for the EPA Underground Injection Control permitting actions at the Dewey-Burdock uranium recovery site in southwestern South Dakota.

Please call me at (303) 312-6276 if you would like EPA to mail paper copies of any of these documents to you.

Please review and edit. Thanks!
